

2022 Annual Benefits Election

October 2021

Dear CITGO Plan Participant:

At CITGO, we take great pride in our employees which is why our goal is to provide competitive benefits every year that help meet the healthcare needs of our employees and their families. The Annual Benefits Election period provides an opportunity for eligible employees to review their current benefit elections and make any necessary changes or updates for the upcoming plan year according to their individual and/or family needs.

Annual Election will begin Monday, November 1, 2021 and will end Friday, November 12, 2021.

This letter contains valuable benefits plan information and should be read in its entirety. All changes are effective January 1, 2022.

ANNUAL BENEFITS ELECTION ENROLLMENT INFORMATION

Eligible active employees will be able to access the 2022 Annual Election materials, including the Benefits Brochure and rates, via Benefit Connections at www.hr.citgo.com or CITGO intranet. Information will be posted online on Monday November 1, 2021.

If no changes are made during the Annual Election period, all current elections will rollover to the next plan year with the exception of Flexible Spending Account and Health Savings Account elections.

MAKING YOUR ELECTIONS

If you wish to make changes to your benefit elections for 2022, eligible active employees should utilize the Employee Self Service portal (ESS) accessible through the CITGO intranet. You may also contact the Benefits Helpline during Annual Election beginning on Monday, November 1, 2021 at 1-888-443-5707 or via e-mail at benefits@CITGO.com. The voicemail system is available 24 hours / 7 days a week.

Need help using ESS? The ESS Open Enrollment Tutorial is available on the **Benefit Connections** website (www.hr.citgo.com) under the Benefit Resources tab.

VERIFICATION OF DEPENDENT ELIGIBILITY

The form outlines the types of documentation that are acceptable as proof of your dependent's eligibility.

You must elect your HSA contribution each year. Elections can be made at any time through the Employee Self-Service portal (ESS). For employees without access to ESS, elections can be made by email at benefits@citgo.com or by phone 1-888-443-5707.

Health Savings Account (HSA) annual contribution limits for 2022 will be as follow (includes employee and employer contributions):

For example, if you want to make the maximum contribution to your HSA for Single Coverage in 2022, and you plan to earn Healthy Rewards incentives totaling \$500, your total annual contribution to your HSA will be \$2,650 for the plan year.

\$500 SDHP annual enrollment incentive
+
\$500 CITGO Healthy Rewards incentives contribution
+
\$2,650 Individual annual payroll contribution

REQUIRED NOTICES

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours.)

SUMMARY OF BENEFITS AND COVERAGE

IMPORTANT NOTICE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with CITGO Petroleum Corporation and prescription drug coverage under Medicare Part D for people eligible for Medicare. This information can help you decide whether or not you want to enroll in a Medicare prescription drug plan.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare under Medicare Part D. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. CITGO Petroleum Corporation has determined that the prescription drug coverage offered under the two plans listed below ("CITGO coverage") is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is therefore considered creditable coverage.
 - CITGO Petroleum Corporation Medical, Dental, Vision and Life Insurance Program for Hourly Employees
 - CITGO Petroleum Corporation Medical, Dental, Vision and Life Insurance Program for Salaried Employees

REQUIRED NOTICES

IF YOU DROP CURRENT COVERAGE WITH THE CITGO PROGRAM

If you decide to enroll in a Medicare prescription drug plan and drop your CITGO coverage, be aware that you may not be able to get this coverage back. If you drop your CITGO coverage and enroll in Medicare prescription drug coverage, you and your covered eligible dependents may not be able to get the CITGO coverage back until the next CITGO Annual Election period, or, in the case of non-payment of your contributions, you can never re-enroll.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

Because your existing CITGO coverage is, on average, at least as good as standard Medicare prescription drug coverage and is considered to be creditable coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to enroll in Medicare prescription drug coverage.

If you lose coverage, through no fault of your own, or decide to leave CITGO coverage, you will be eligible to enroll in Medicare Part D coverage at that time using a two (2) month Employer Group Special Enrollment Period. You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

IF YOU DELAY ENROLLING IN MEDICARE PART D AFTER YOUR CITGO COVERAGE ENDS

You can enroll in a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7. It is important for you to know that if you drop or lose coverage with CITGO and do not enroll in a Medicare prescription drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to enroll in Medicare prescription drug coverage at a later time.

Medicare rules state that if you go 63 continuous days or longer without creditable prescription drug coverage that is at least as good as Medicare's prescription drug coverage; your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may pay more than what most other people pay. You will have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll.

You may also contact UnitedHealthcare directly at 1-866-317-6359, option 4 or visit <http://www.myuhc.com> and access the prescription drug link. Note: You may receive this notice at other times in the future through CITGO Petroleum Corporation such as before the next period in which you can enroll in Medicare prescription drug coverage or if this coverage changes. You also may request another copy of this notice from us.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –
